HIGH SCHOOL SCRAPBOOK

Name: Meredith Goodwin

School: *Marblehead Senior High*

Class: *Class of 1983*

Address: *217 Pleasant Street*

Enrollment: *September, 1979*

Graduation: *June, 1983*

Most of us have changed during our years at the High School and we will continue to change as we grow older. Although some people will change only a matter of small degree, others will develop entirely new priorities and goals. It is important to grow, to expand, and to learn more about the world around us, but it is also important to look back and to remember the people we were. Collecting objects whether they be pictures, clippings, or ticket stubs has always been a way to record the passage of time and to mark the changes in ourselves as well as in our environment. Scrapbooks record past events; help us savor special moments and triumphs; and immortalize people, places, and experiences.

In the future we will look back on our years at the High School through the eyes of the different people we've become, and we will be transported back in time - to a time when our every minute was scheduled and we moved to the sound of bells, to a time when it seemed that just as we had gotten comfortable in a new school it became necessary to move on, and to a time when we rode with our friends on the rollercoaster that is teenage life. We hope that this yearbook will be the key to that transportation. 1983, our senior year, marks the culmination of the experiences and knowledge we have gained during our three years at the High School, it also marks the culmination of the seventy years of experience and knowledge that this school has provided.

Marblehead High School was constructed in 1913, and this year marks the seventieth anniversary of its construction. Over the years there have been additions built, new policies introduced, and different people in charge - but the high level of academic excellence and dedication to the students, as well as the spirit that transforms a group of people and a building into a community has remained. It is in honor of these seventy years of learning, experiencing, and maturing that we dedicate this 1983 "High School Scrapbook". The High School is more than just a building, it is an intregal part of the community, a mesh of different groups with varied interests, and it is also a spring board on which to test our beliefs and values, as well as ourselves.

MY GENERATION

"People try to put us down (Talkin' 'bout my generation)
Just because we get around (Talkin' 'bout my generation)
Things they do look awful cold (Talkin' 'bout my generation)
Hope I die before I get old (Talkin' 'bout my generation)
This is my generation. This is my generation, baby.
Why don't you all fade away? (Talkin' 'bout my generation)
Don't try and dig what we all say (Talkin' 'bout my generation)
I'm not tryin' to cause a big sensation (Talkin' 'bout my generation)
I'm just talkin' 'bout my generation (Talkin' 'bout my generation)
This is my generation. This is my generation, baby."

Don't get depressed when you read in the press about world revolution and social unrest. Try not to panic when you switch on the news and see crooked politicians and the unemployment queues. It's only life, it's really fine, so don't you believe all you read in the headlines. Live life, see it through, carry on, its all you can do.

Toiling, - rejoicing, - sorrowing,
Onward through life we go;
Each morning sees some task begin,
Each evening sees it close;
Something attempted, something done,
Has earned a night's repose.
Thanks, thanks to thee, my worthy friend,
For this lesson thou has taught!
Thus at the flaming forge of life
Our fortunes must be wrought.
Thus on its sounding anvil shaped
Each burning deed and thought.

When a man denounces the obvious and curses the logic that is accepted as right by society, society deems him insane. Therefore it stands to reason that insanity is relative to the convictions of society. If this is the case, society might be wrong in the eyes of divinity, which can only mean that society is at fault and must be named insane.

Leadership Conference

On the first and second of September, 1982, 34 students and 5 faculty administrators journeyed to Children's Island where they learned valuable leadership qualities, got to know each other, and had a lot of fun. They discussed topics concerning leadership and its possible problems, the pros and cons of the High School, how they could help to increase school spirit, and how they could break down barriers between student groups.

As they boarded the ferry to return home both the students and the administrators agreed that it had been a great experience which resulted in a togetherness that hadn't existed at the start of the conference . . . and both also agreed it had been an experience worth repeating.

With seniors Michael Becker, Howard Brenner, Ellen Emerson, Rob Hallawell, and Alan Tivey at the head of the successful group, the team is looking forward to a victory in the May state meet. Since they've come in second in every meet this year, their future looks promising. Festival of Arts starts Friday

By MARY HELEN GILLESPIE

The town will be bursting with more than just red, white and blue this weekend.

Artists, clowns and poets will take to the streets tomorrow as the 1982 Marblehead Festival of Arts gets underway.

"The festival is the town's gift to itself. I love it," said festival President Chuck Scheffreen.

Cross Country

Finishing the season with an 8-1 record, the boys' cross-country team avenged its only loss to Swampscott in the regular season by rising to victory in the all-conference meet. Coach Arthur Leavitt directed co-captains Rob Hallowell and Chris Metzger and other seniors Neil Marrs and Mike MacIver. Together with some strong underclassmen they nearly achieved their first undefeated season and league title.

Coach Leavitt had a young girls' team this year led by sophomore co-captains Alyson Metzger and Debbie Nagan. Ending with an 8-1 record, they, like the boys, gave in only to Swampscott, but came close to a conference championship.

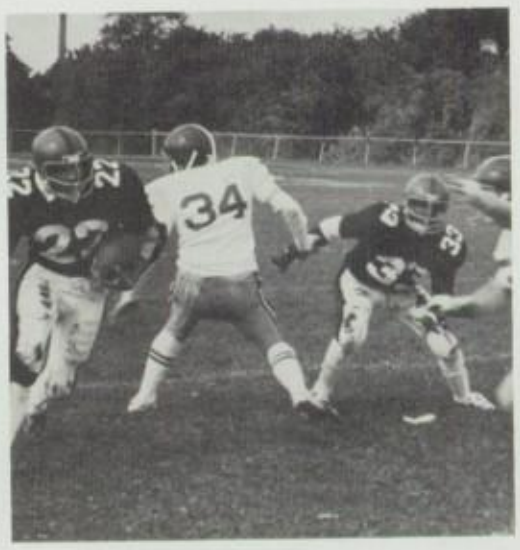
Field Hockey

The 1983 Field Hockey Team led by Coach Cindy Neal had an outstanding season. The team had a record of 5 wins, 5 losses and 4 ties which placed them fifth in the conference. The girls had excellent team spirit and a lot of enthusiasm. The losses which the team experienced seemed to wake them up and prepare them for their next games. Defensively, the Headers suffered a blow when Captain Tina Angenica, their starting goalie, suffered a broken leg. However, sophomore Suzannah Webb who played her first year on varsity took Tina's place and did a fine job. The departing senior's are captains Laurie Capellotti and Tina Angenica, Karissa Niehoff, Kate Kallmes, Sue Eldridge, Susan Laramie, Amy Siskind and Karen Tompkins. Karissa Niehoff and Laurie Capellotti were chosen to play in the Northeastern Conference all star team. Coach Neal felt all of the girls did a fine job.

Football

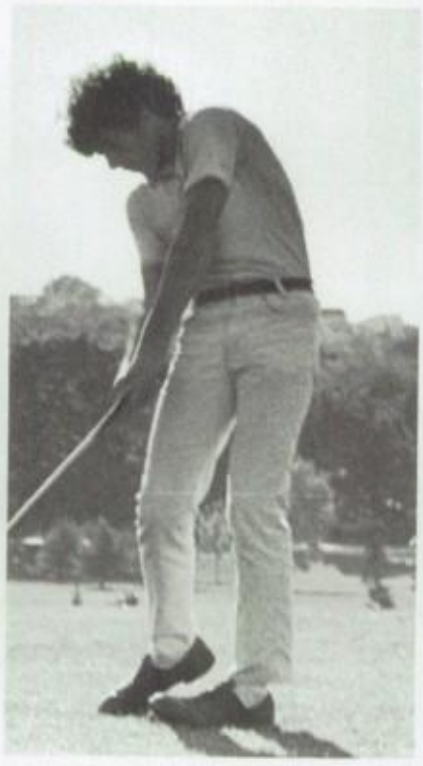
Under the fine leadership of co-captains Bill Gillis and Bil McCarthy (MVP), and with the assistance of Northeast Conference All-Stars Chris Fitz and Andrew Jaffee, the 1982 M.H.S. Gridders finished their career with a 1-9 record on the season, not representative of the cohesive effort of the team as a whole. Unfortunately, even the impressive kicking of Larry Wark and the running of Chuck Johnson and Fletcher Johnson were not enough to give the Headers more than the win at Lynn English, although the Gloucester and Winthrop (particularly defensively) games were admirable attempts.

In all, the entire squad was accomplished and enthusiastic, and although twenty-two seniors will leave a large gap, the up-and-coming undefeated Freshman team will be a group to be reckoned within the N.E. Conference.



Golf

Led by coach Brad Sheridan, the 1982 M.H.S. Golf Team completed its 1982 tour with a stellar 9-1 record, a share of the N.E.C. Title and a state tournament berth. Major factors in the success of the team were three-year lettermen Steve Cohen, Marc Davis and Scott Sagan. Other seniors worthy of mention include Bill Cairns, Dan Butler and Ron Vener. With an abundance of young talent, it appears that M.H.S. could emerge as a perennial golf power.



Gymnastics

The girls 1982-83 Gymnastics team, led by coach Cindy Neal had an excellent season. They achieved their season long goal of 100 points. The girls put together an impressive season by going 5 wins and 3 losses overall and 3 wins 3 losses in the Northeast Conference. The captains of this year's team were senior Karen Tompkins and junior Ann Haley, who didn't compete because of a broken foot. The team is losing only three seniors to graduation who are Karen Tompkins, Nikki Ray and Nina Rooks. The juniors of the team are Jennifer Babine, Mandy McConnel, Siobhan O'Callaghan, Nadine Fagone, and Ann Haley. Coach Neal felt the girls did a fine job and she is looking forward to next season.

Girls' Soccer

One-hundred percent teamwork plus seventeen very skilled soccer players added up to another M.H.S. Girls' championship soccer team with a 14-0-0 record in the Northeastern Conference. After the top-seeded Headers received a bye in the first round of the state tournament, they were eliminated by Lincoln-Sudbury in an action-packed game. Because of the tremendous efforts of senior fullbacks co-captains Weatherly Dykeman, Abby Lausier, Talbot McLanahan and Cheryl Sullivan, during the entire season only three goals were scored against the Header girls. Senior co-captain Tracy Harmon was leading scorer for the third consecutive year (with 18 goals). Coach Dick Schneider also praised the fine efforts of seniors Kathy Caldwell, Lisa Erbetta and Christine King. Because of the strong Youth Soccer Program and the highly skilled underclassmen players, Marblehead will continue to be a perennial force in Girls' Soccer.

Boys' Soccer

The 1982 Boys Soccer Team gave coach Rod Pickard and all M.H.S. a season to remember by taking last year's great season one step further and advancing to the Division Two State Finals. The boys finished off the regular season by defeating Swampscott in their final conference game to end up with an unrivaled 11-0-3 record and more shutouts than any M.H.S. team before. The team achieved its top goal by winning a 3-2 boxing match against Weston in the state semi-finals, to end a two year Dual County league jinx. Tri-captains Dave Smith, Tom Morris, and Todd Huber, along with junior MVP Todd Emmel and goalie Rich Myerson were stand-outs on the M.H.S. squad, a team to watch out for in the future.

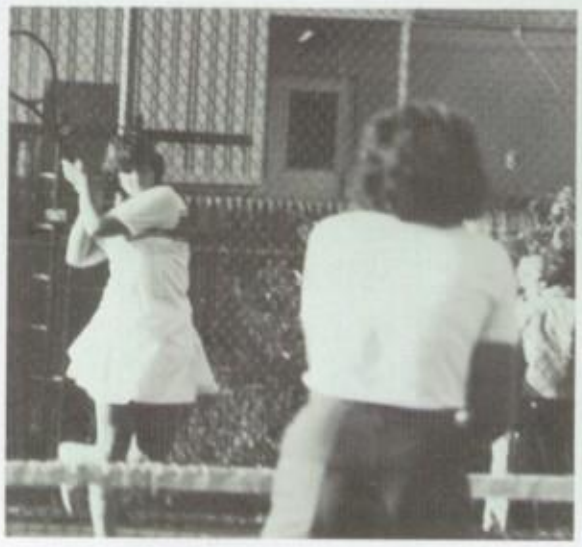
Girls' Tennis

The 1982 Girls' Tennis team, having been the Northeast Conference Champs for three years, are nothing short of amazing. Led by coach "Foxy" Fumarola, these tennis machines have had a record of 18-0 in their third undefeated season, resulting in a total of 54 straight wins. The team has also had the satisfaction of defeating their Swampscott rivals twice this year. Co-captains Melissa Forbes and Karen Rubel, along with Sheila Crane, composed the starting line-up of varsity singles, and led the team to victory, while varsity doubles teams of Tracy Crane and Susan Till, along with Paige Mikesell and Sarah Fuller stomped on all of their opponents. Senior Sue Pocharski also played a tough match. Co-captains Melissa Forbes and Karen Rubel were members of the All Star's team, providing yet another incentive for the Girls' Tennis team to push on to victory. The highly successful team is looking forward to the Spring State Tournament and expecting to continue their impressive record.



Girls' Winter Track

The 1982-83 Girls' Winter Track team was a successful, hardworking one. Led by coach Sue Redfield and captains Kate Kalmes, Gretchen Lally, and Sarah Pierce, the team began the season with an impressive record of 3 wins and 1 loss. Their daily practices gave them noticeable strength, and seniors Tracy Harmon and Gretchen Lally often led the team to victory at meets. With many talented underclassmen, this years' success promises to continue for the remainder of the season and in the years to come.

Girls' Basketball

Last year the M.H.S. girls' basketball team captured both the Division II North State Championship and the Northeast Conference Championship under the superb guidance of Coach Mike Thibodeau. This year's squad was not expected to do as well with the loss of superstars Yvette Jones and Sue Rafferty; however, the two returning starters, co-captains Tina Angenica and Karissa Niehoff helped lead them to a 14-6 record qualifying them for the State Tournament. In addition to the captains, seniors Amy Siskind and Laurie Capellotti helped pace the team to third place in the Northeast Conference. Hopes are high for next year's team to do just as well with experienced juniors Laura Thompson, Ann Kulevich, and Paige Mikesell to help lead the team.

Boys' Basketball

Spirit and persistence were the names of the game for the 1983 boys' basketball team under the direction of coach Brad Sheridan. Despite a disappointing record, the team was always hustling and always exciting to watch. Captains Steve Cohen and Ken Walton led the still young team to a much improved season over last year. Their most memorable win came in a late season blow out of Gloucester High. The squad was helped along on it's way by seniors Mike Fleming and Chris Fitz, as well as many underclassmen, including returning brothers Chris and Kevin Buckhholts. With many experienced players coming back next year, the boys' basketball team will be one to be reckoned with.

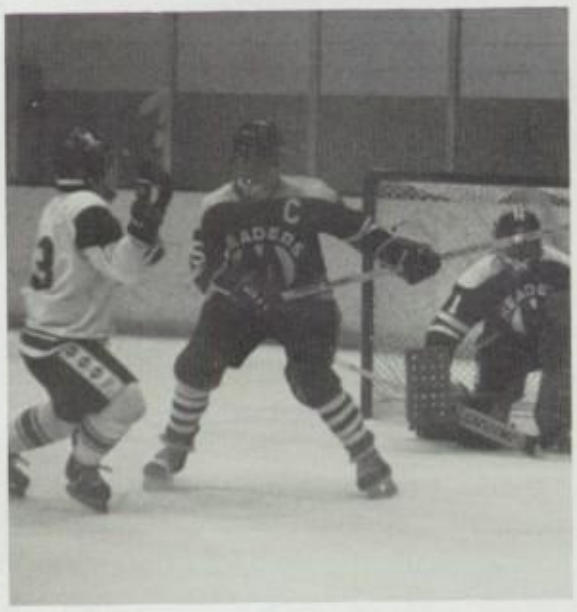
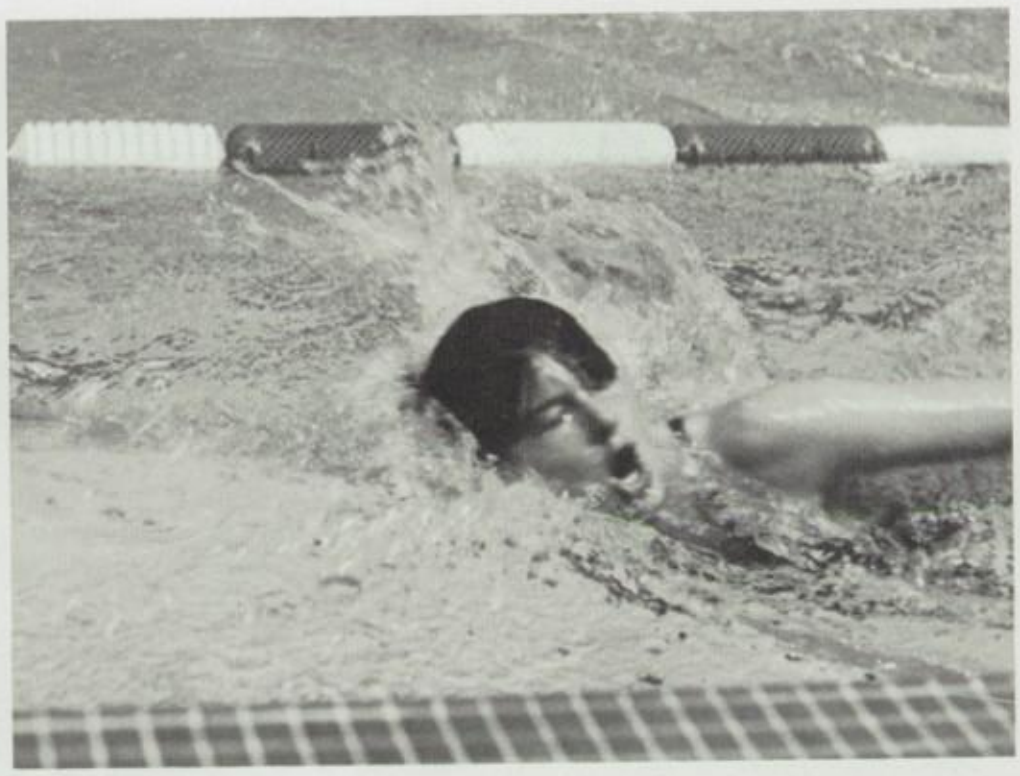
Hockey

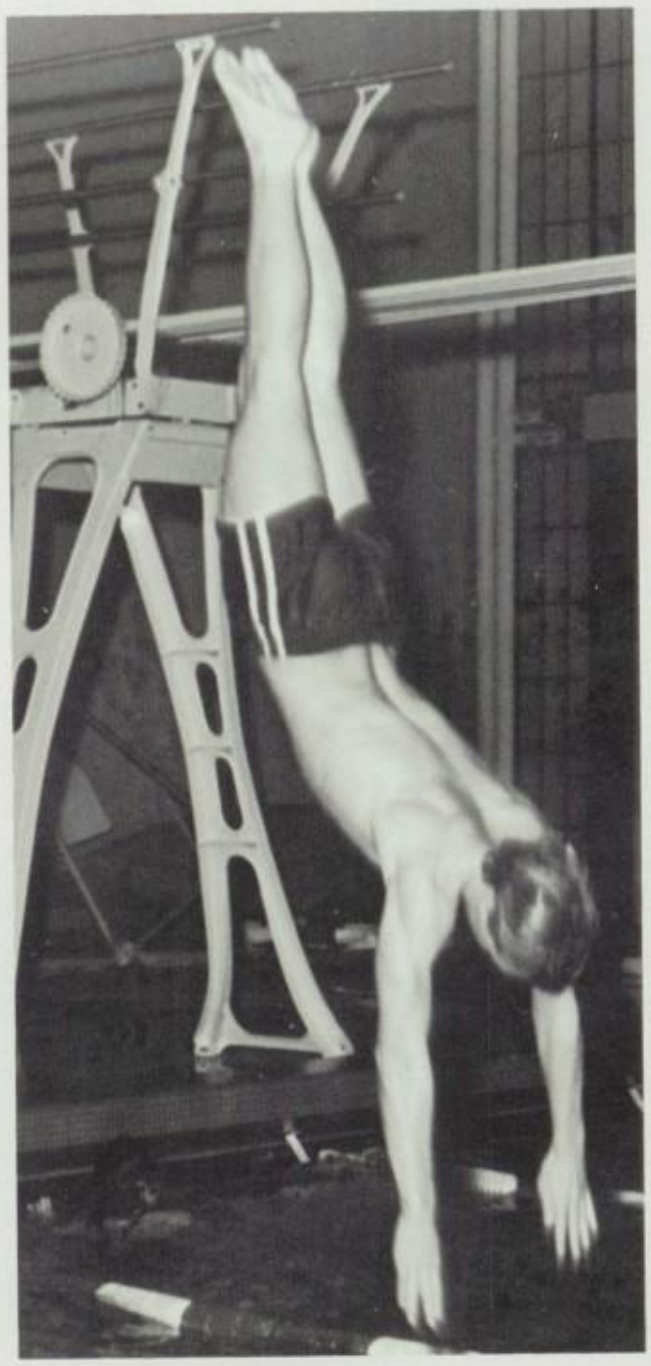
Led by veteran coach Bob Roland, the 1982-83 Hockey Headers compiled a respectable 7-9-2 record in a strong Northeast Conference. Senior Marc Davis turned in a number of stellar performances in goal with the stalwart Joel Livingston ready in relief on a number of occasions. Captains Jeff Dinsmore, Eric Cressy, Jeff Thaxter and Sean McHugh provided leadership up front along with injury plagued Mike Rockett. Other seniors making contributions included Jim Borowski, Tim Mercier, Jim Ingram, and Todd Huber. Doug Laing and Fletcher Johnson anchored the defense. The Headers never failed to provide excitement with several games decided in the closing minutes. With a strong nucleus of returnees, the '83-84 edition promises to be a force to be reckoned with.

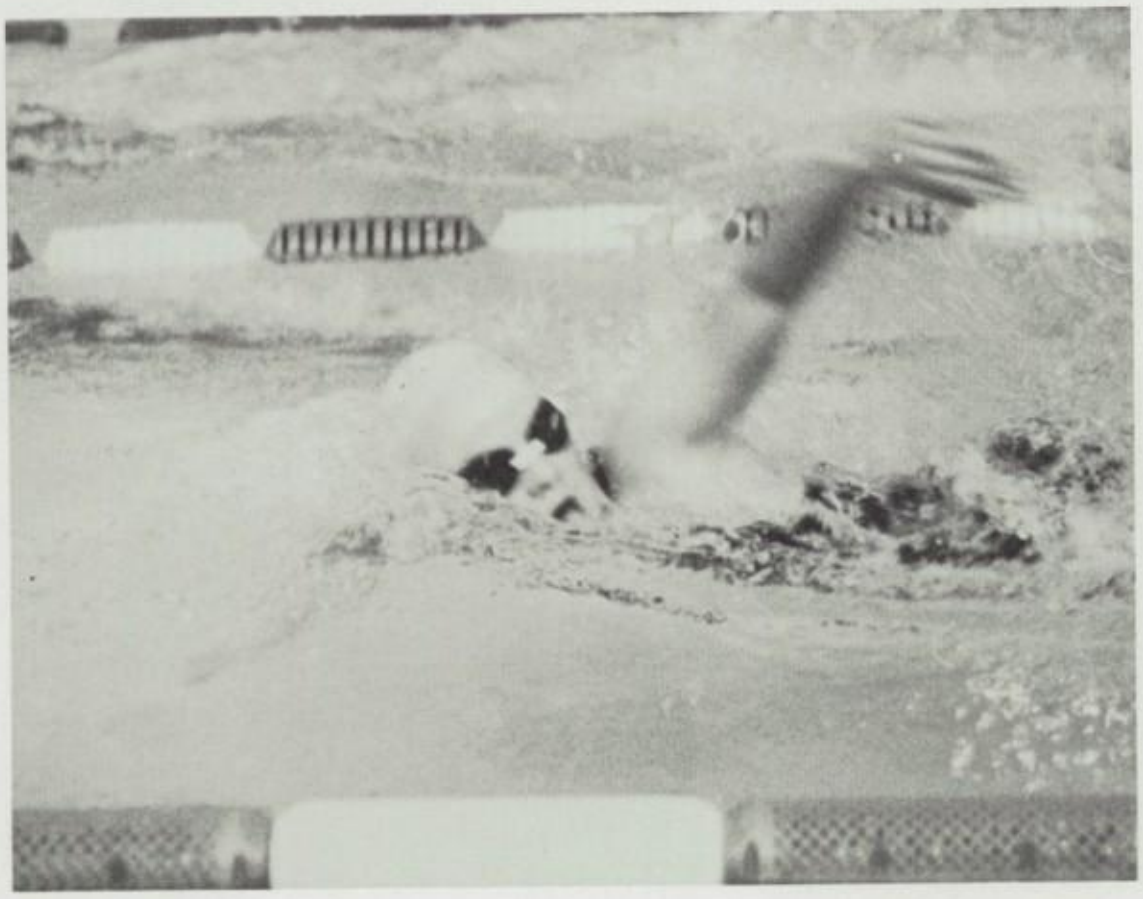


Swimming

Coach Don LeClerc and assistant Ellen Epstein guided the co-ed swim team to its second consecutive Northeast Conference championship with a regular season record of 8-0. School records were broken by seniors Rich Barnard (100 yd. fly) and tri-captain Bill McHugh (100 yd. breast) and by junior Scott Tyrrell (diving). Graduating senior tri-captains Bill McHugh, Peter Brennan and Tracy Fitzgerald, and other seniors Barnard, Anne Fallon, Abby Lausier, Patsy Rodgers and Melissa Forbes will leave a vulnerable spot, but the 65 plus member team will surely regroup and come back full force next season.







Boys' Winter Track

Led by coach Alan Morrell, the 1983 boys' winter track team put in a very successful season. With their biggest win coming in a "down to the wire" meet against Gloucester, the squad had many standouts including senior tri-captains Tony Thibodeau on the hurdles and relay, Dave Ahonen on the 300 and relay, and Rob Hallawell going the distance. Other runners putting in impressive efforts were Hans Van Dusen, Mike McGiver, and Bill Gillis, as well as junior Curt Roffey and senior speedster Dave Tobin. Their hard work and spirit left the team satisfied with a good season, and looking forward to more of the same next year.

Fads, Facts, And Faces

MOVIES - 1982-83 produced a bumper crop of outstanding films. Summertime hits included Rock III, Officer and a Gentleman, Fast times at Ridgemont High, and the classic E.T. As we moved into 1983, Tootsie kept us laughing while the historical epic Gandhi offered new insights into the past.

Ralph Lauren

FASHION - Starting with the feet up, boys stuck with tradition (Dunham Boots and Levis.) Girls layered leg warmers over elf boots under mini-skirts, and on cold days donned parachute pants. The argyle sweater made it's appearance on both sexes - girls topping it with plastic-bead necklaces and boys pairing it with an oxford shirt. 1982-83 also brought the extinction of the alligator and the breeding of the Polo.

MUSIC - Musically, the past year has been marked by the re-emergence of 50's rockabilly music, in the form of the extremely popular Stray Cats. Australia continued it's growing impact on America music with the record setting premiere album by Men At Work, while Toto, in a more conventional rock vein, swept the country and the Grammys with Toto IV. Also in the Solid Gold set, falling objects were in vogue as "It's Raining Men", "You dropped a bomb on Me" hit the charts, and "Billie Jean" shot Michael Jackson to the top once again.

TELEVISION - Our televisions took us from cops who found blues while chasing robbers on Hill Street, to Dynasty where Lovesick people chased each other. And when end of M*A*S*H brought us down, Tom Selleck got us up.

PEOPLE - The birth of a royal prince was followed closely by the death of a royal princess. Dustin Hoffman became Dorothy Michaels to the joy of his (her) fans. We said a tearful goodbye to Henry Fonda, who received a long overdue Oscar, and we wept at the premature death of John Belushi. And finally, the communist party will never be the same after the loss of Leonid Breshnev.

FADS - Video games became the subject of most T.V. commercials as we flocked to arcades to play Pac-Man and Donkey Kong. When we went out, slamdancing became a popular sport/pastime (choose one), and to better stand the heat, we turned to short, punk hairstyles. With shorter hair and a new song came Valley Girl talk - Fer sure!

Time it was,
And what a time it was.
A time of innocence,
A time of confidences.
